- Windows
- Mac OS X
- Android
- IOS

# FRODO TECH PAYMENT GATEWAY (FPG)

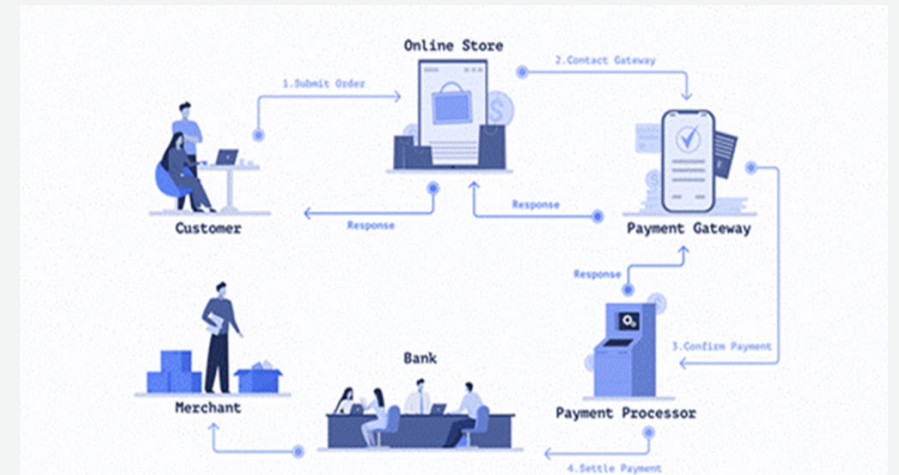

The main business of Frodo Tech is to provide a fast, secure and easy to use payment system.

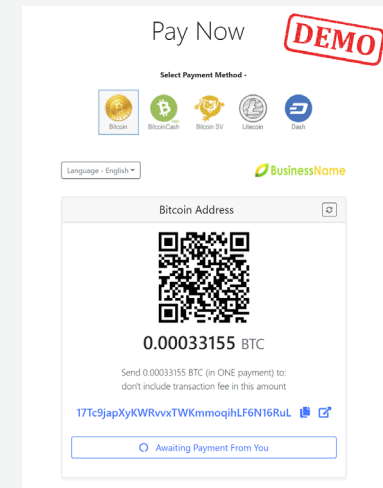

# FRODO TECH PAYMENT GATEWAY (FPG)

FPG allows everyone to accept crypto payments on their websites, online stores, and social media accounts.

# FRODO TECH PAYMENT GATEWAY (FPG) SDK

App developers can find ready-made functions and code libraries in Android SDK, IOS SDK, and programming languages like Java, Perl, and PHP, which enable them to accept crypto payments through their apps and portals.
